REMINDERS

As this newsletter is being written the weather is absolutely gorgeous and the reports I've heard say that we are to have 1-14 days of really warm weather for this time of year so perhaps some of you would be interested in attending a Judges School. The next one that I'm aware of will be in Lincoln, Nebraska on April 29th and 30th. Herb Hodge will be the instructor.

PRACTICE BOX

As the weather gets warmer remember the practice box is ready near Atchison. Mark Scholz is the one to contact for information. (913) 985-2594

WARNING

It is time, again for my Red Dot caper. Dues are due and if your newsletter has a Red Dot beside your name this indicates that you need to pay your dues. I would like to have a roster ready for next months newsletter. Several members have called to get other members phone numbers and I may not be home when someone really needs a number.

SUGGESTIONS WELCOME

Please feel free to make any suggestions you may have concerning the meetings or play days either to Ron Elton or any other officer or director. We would like to see several persons participate in our play days this summer so if you have suggestions, please let them be heard.
